## ABOUT THE INSTITUTION

P. A. College of Engineering and Technology (PACET) is located on the State Highway (SH-19) about 2 km from Pollachi. Pollachi town is located 42 km south of Coimbatore. The College is in the reach of about 40 minutes drive from Coimbatore airport and railway station and one hour from Tiruppur. The Arul Jothi Charitable Trust promoted by Prof.P.Appukutty Chairman and Managing Trustee, with 35 years of experience in Technical Education had established this institution in 2008, with a vision to progress and to become a center of excellence in Engineering, Technology and Management through creative and innovative practices in teaching, learning and promoting research and development to produce globally competitive and employable professionals.

This institution is approved by AICTE and affiliated to Anna University of Technology, Coimbatore with ISO certification. It offers five UG Programmes (B.E in CSE, ECE, EEE, Mechanical and B.Tech in IT) and two PG Programmes (M.E Computer Science & Engineering and MBA). The college has strong Industry interaction and Placement cell for placement, guest lectures and projects.

## ABOUT THE DEPARTMENTS

The Departments of Computer Science and Engineering and Information Technology, established in the year 2008, with its dedicated body of well qualified faculty, technical staff and students. It is a multi-disciplinary centre of excellence in the specialization of software development, networking, computer architecture and design, programming, operating systems, multimedia and graphics communications, through Education and Research. The Departments are well equipped with state-of-the art laboratories to provoke the students and staff community in academic and research. The thrust areas of the departments are Communication Technology, Computer networking, Optical Communication, Data mining and data warehousing.

## OBJECTIVE OF THE CONFERENCE

The conference is organized to highlight the current issues and future trends in the field of Computer Science and Information Technology. It is aimed to stimulate forum for research scholars, academicians and industry people from all over the country to disseminate the new research findings and explore innovative technologies for the benefit of society.
