## ABOUT THE INSTITUTION

P. A. College of Engineering and Technology (PACET) is located on the State Highway (SH-19) about 2 km from Pollachi and 42 km from Coimbatore. The College is in the reach of about 40 minutes drive from Coimbatore airport & railway station and one hour from Tiruppur. The Aruljothi Charitable Trust promoted by Prof.P.Appukutty, Chairman and Managing Trustee, with 35 years of experience in Technical Education had established this institution in 2008, with a vision to progress and to become a center of excellence in Engineering, Technology and Management through creative and innovative practices in teaching and learning and promoting research and development to produce globally competitive and employable professionals.

This institution is approved by AICTE and affiliated to Anna University of Technology, Coimbatore with ISO certification. It offers five UG Programmes (B.E in CSE, ECE, EEE, Mechanical and B.Tech in IT) and two PG Programmes (M.E Computer Science & Engineering and MBA). The college has strong Industry interaction and Placement cell for placement, guest lectures and projects.

## ABOUT THE DEPARTMENT

The department of Electronics & Communication Engineering and Electrical & Electronics Engineering, established in the year 2008, with its dedicated body of well qualified faculty, technical staff and students, are a multi-disciplinary centre of excellence in the specialization of Embedded Systems, VLSI, Communications, Signal & Image Processing, Power Electronics & Drives, Power systems, Control Systems, Electrical Machines and High Voltage Engineering through Education and Research. The Departments are well equipped with a state-of-the art laboratories to provoke the students and staff community in academic and research. The departments offer four year UG programme in Electronics & Communication Engineering and Electrical & Electronics Engineering.

## OBJECTIVE OF THE CONFERENCE

The conference is organized to highlight the current issues and future trends in the field of Communication and Electrical Drives. It aims to stimulate forum for researches, academicians and industry people from all over the country to disseminate the new research findings and explore innovative technologies for the benefit of society.

## CALL FOR PAPERS

Papers are invited from Research Scholars, Faculty members, Industry professionals and Post graduate students on topics related to the theme of the conference. Topics include but are not limited to

- Wireless Communication
- Signal & Image processing
- Mobile Communication
- Networks
- Embedded Systems
- VLSI
- Hybrid Computing Techniques
- Power Systems
- Control Systems
- Power Electronics & Drives
- Electrical Machines
- Renewable Energy Sources
- High Voltage Engineering

## FORMAT FOR PAPER SUBMISSION

The authors are invited to send their papers in IEEE format with the following pattern

- Font Type : Times New Roman
- Title of Paper : 14 Point Bold
- Sub Heading : 12 Point Bold
