CODE OF CONDUCT POLICY FOR STUDENTS AND STAFF

- All the faculty members, staff, administrative personal and students should know, observe, abide and adhere to the applicable policies, rules and regulations, relevant procedures notified from time to time.
- Code of conduct including faculty, support staff and administration is governed by the statutes and its amendments from time to time.
- Students have the right to learn without interference and faculty members have the authority to protect this right by creating and maintaining an environment that is conducive to learning.
- Academic requirements for studies are prescribed in the regulations of the programme to which the student is admitted.
- Inappropriate conduct may subject a student to sanctions or disciplinary action pertaining to general conduct within the Campus.
- Examinations, hostel, sports and cultural activities, field visits are notified from time to time.
- Specific rules, policies or regulations are communicated through E mail communications, notice boards and relevant publications and the same will be briefed during orientation programmes for the students.
- Ragging and sexual misconduct/harassment rules are framed in line with the national and state directions and are strictly enforced.
- Academic dishonesty in any form of deceptive, dishonest or fraudulent conduct will not be tolerated.
- Monitoring committee formed by the Principal, Heads of Departments and Hostel Wardens ensure the enforcement of rules and code of conduct as per the approved Grievance redresser mechanisms.
